LAUGHTER MAKES THE HEART SMILE

Apply several layers of *White Gesso* to chipboard. Heat set to dry. Apply *Patina Paste* to 'smile' starting with purple, then teal and light blue, drying in-between colours. Reapply to create texture. When dry, lightly spritz with water and allow colour to run onto 'MAKE' and 'THE'. Heat set. Adhere red Wonder Tap to back of heart section. Pour green *Glass Glitter* into heart onto adhesive tape. Adhere small glass rhinestone to rim of heart. Add small white butterfly to 'smile'.

MIXED MEDIA STRIP

Apply *Modelling paste with a palette knife through Diamond Azure Stencil* onto white glossy cardstock. Set aside to dry. Apply remaining (or create more) *Vacation, Emerald Concentrate Watercolor* and *Blueprint Sketch Distress Spray Stain* with a waterbrush to textured areas. Lightly spritz with water and allow colours to blend and run. Mop excess with roller towel. Reapply where needed. Apply *Blueprint Sketch Distress Oxide Ink* onto non-stick craft sheet. Lightly spritz with water to create small droplets. Place clean *Diamond Azure Stencil* into ink droplets and 'stamp' ink onto areas of cardstock. Pick up excess ink with a large paintbrush and splatter onto cardstock. Allow to dry. Cut into three pieces: 9cm [21] | 1,5cm [22] | 0,5cm [23]. Apply *Vacation, Emerald Concentrate Watercolor* and *Blueprint Sketch Distress Spray Stain* to ½ " *Dina Wakley Media Tape* and allow to dry. Adhere tape to left side of 9cm piece: ¼ " on front of cardstock.

SAPPHIRE FLORAL LATTICE

Apply *Mediterranean Impasto Paint* with ink blending tool and foam. When dry, swipe *Blueprint Sketch* and *Evergreen Bough Distress Oxide Ink* onto non-stick craft sheet. Lightly spritz with water and place painted chipboard into ink droplets. Heat set and apply more ink droplets until desired result is achieved. Place small amount of *White Gesso* on craft sheet and dilute with water. Pick up diluted *Gesso* with a large paintbrush and splatter onto inked chipboard. Detach sections to create three floral strips and two individual floral pieces.

MINI WORD SENTIMENTS

Apply several layers of *White Gesso* to chipboard. Heat set to dry.

TRUE HAPPINESS STAMP

Stamp 'True Happiness' on cardstock with *Blue Belle VersaFine Clair Ink*.

SPIRAL TIE-DYED FABRIC

Lightly spritz fabric with water. Place fork in middle of fabric. Press down firmly and begin twisting until fabric is in a spiral. Tightly tie fabric with cotton thread. Spritz fabric with *Calypso Teal Dylusions Ink Spray* and *Blueprint Sketch Distress Spray Stain*. Allow to dry. Remove thread and set aside. Use to thread buttons. When dry, cut into 1,5 – 2cm strips. Fray edges of strips and gather some. Keep strands to add to areas on layout.

CHIPBOARD WINDOW FRAMES

Apply *Mint Impasto Paint* with ink blending tool and foam to chipboard. Add a few drops of *Vacation, Emerald Concentrate Watercolor* and *Blueprint Sketch Distress Spray Stain* into palette wells. Add water to empty wells and dilute colours. Apply to painted surface with a waterbrush, adding colour intensity to create gradient colours. Set aside to dry.
