

1. Cut bottom strips off background pages (EVERY DAY and EVERY MOMENT) and adhere together at the back so that you can work across the two pages.
2. Cut patterned paper and strips as per diagram for both left and right sides of layout.
3. Adhere papers to both the left and right pages sides of your layout.
4. Using the PONDER stencil and *Nuvo Misty Mauve Crackle Mousse*, stencil onto the left and right sides of layout, leaving it to dry completely to allow the cracks to form.
5. Matt photographs onto patterned paper and adhere to layout.
6. Edge white spotted velum feathers with *Nuvo Shimmering Rose Crystal Drops*.
7. Lightly brush *Crackle Mousse* over chipboard title leaving it to dry for fine cracks to form.
8. Dilute *Spring Pansy VersaMagic ink* with water and colour chipboard embellishments (title as well as photo corners), wiping off excess ink ensuring that the colour remains in the embossed areas.
9. Paint the feathers with the same diluted ink.
10. Cut elements from the cut-out pages and adhere these, together with the feathers, chipboard embellishments as well as flowers or any other embellishments (if desired), around your photos and layout, raising some to create depth.
11. Create pearl drops on your layout using *Shimmering Rose* as well as *Wisteria Purple Crystal Drops*, making sure to let them dry completely.
12. Dilute some *Crackle Mousse* with water and add splashes around layout as desired.
