CHIPBOARD EMBELLISHMENTS

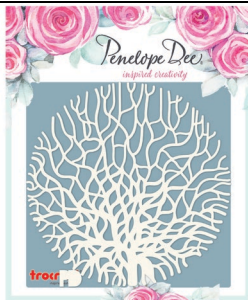

**PD4160 WORD SENTIMENTS
SEA SAND SKY**

Apply *White Pearl Acrylic Paint* with an ink blending tool and foam. Heat set. Apply *Distress Collage Medium* to 'SAND' and adhere *Mini Prima Art Stones*. Set aside to dry. Apply a drop of *Stormy Sky Distress Paint* to non-stick craft sheet. Apply to bottom edge of 'SKY' and blend upwards with a paintbrush creating an ombre effect.

SALT WATER THERAPY

Swipe black pigment ink pad onto chipboard ensuring ink fills engraved areas. Wipe ink from glossy sections. Apply metallic inks to gloss areas with a *Fantastix* brush tip, blending colours to create an ombre effect.

PD4061 WHITE CORAL

Apply white *gesso* to chipboard with an ink blending tool and foam. Heat set. Apply *Nuvo Crackle Mousse* and *Distress Grit Paste* with a palette knife. Heat set. Apply *Distress Crayon* colours to *Grit Paste* areas and lightly spritz with water, blend with a paintbrush or finger, lifting excess colour with a wet wipe. Repeat with various colours until *grit paste* is coloured. Apply more *Nuvo Mousse Crackle Paste* to areas and heat set. Shake *Foundry Wax** bottle and apply a small amount onto non-stick craft sheet. Working quickly, apply wax with your finger to raised areas. apply more wax to craft sheet if required and repeat. Heat set wax to activate and set wax.

PD4062 SEA LIFE

Swipe black pigment ink pad onto chipboard ensuring ink fills engraved areas. Wipe ink from glossy sections. Apply metallic inks to gloss areas with a *Fantastix* brush tip, blending colours to create an ombre effect.

**Distress Foundry Wax* is designed to create luminous metallic highlights on porous and non-porous surfaces. The fluid wax transforms into a vibrant metallic finish once heat is applied. To use, shake bottle until mixing ball rattles and pigments mix. Can be applied with a dry paintbrush.
